Test Booklet Series

TEST BOOKLET

C

GENERAL STUDIES (P) 2026 – Test – 6334

Time Allowed: Two Hours

Maximum Marks: 200

INSTRUCTIONS

1. IMMEDIATELY AFTER THE COMMENCEMENT OF THE EXAMINATION, YOU SHOULD CHECK THAT THIS BOOKLET DOES **NOT** HAVE ANY UNPRINTED OR TURN OR MISSING PAGES OR ITEMS, ETC. IF SO, GET IT REPLACED BY A COMPLETE TEST BOOKLET.
2. ENCODE CLEARLY THE TEST BOOKLET SERIES **A, B, C** OR **D** AS THE CASE MAY BE IN THE APPROPRIATE PLACE IN THE ANSWER SHEET.
3. You have to enter your Roll Number on the Test Booklet in the Box provided alongside. **Do NOT** write anything else on the Test Booklet.
4. This Test Booklet contains **100** items (Questions). Each item is printed in **English**. Each item comprises four responses (answers). You will select the response which you want to mark on the Answer Sheet. In case you feel that there is more than one correct response with you consider the best. In any case, choose **ONLY ONE** response for each item.
5. You have to mark all your responses **ONLY** on the separate Answer Sheet provided. See direction in the answers sheet.
6. All items carry equal marks. Attempt all items. Your total marks will depend only on the number of **correct responses** marked by you in the answer sheet. For **every incorrect** response **1/3rd of the allotted marks** will be deducted.
7. Before you proceed to mark in the Answer sheet the response to various items in the Test booklet, you have to fill in some particulars in the answer sheets as per instruction sent to you with your Admission Certificate.
8. After you have completed filling in all responses on the answer sheet and the examination has concluded, you should hand over to Invigilator only the answer sheet. You are permitted to take away with you the Test Booklet.
9. Sheet for rough work are appended in the Test Booklet at the end.

DO NOT OPEN THIS BOOKLET UNTIL YOU ARE ASKED TO DO SO

1. Consider the following statements with reference to Right to constitutional remedies provided under Article 32 of the Constitution.

1. It is invoked to determine the constitutionality of any executive order if it directly infringes any of the fundamental rights
2. It is a basic feature of the Constitution and can not be abridged by constitutional amendment.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

2. With reference to the credit rating system in India, consider the following statements:

1. A credit rating agency provides an opinion relating to future debt repayments by borrowers whereas a credit bureau provides information on past debt repayments by borrowers.
2. In India, the issuer company pays for the credit rating of debt securities.
3. Credit rating is not compulsory for non-government bonds with maturity period over 18 months.

Which of the statements given above are correct?

- (a) 1 and 2 only
- (b) 2 and 3 only
- (c) 1 and 3 only
- (d) 1, 2 and 3

3. Arrange the following locations in order of increasing distance from the Equator:

1. Duncan Passage
2. Coco Strait
3. Barren Island
4. Narcondam Island

Select the correct answer using the code given below.

- (a) Coco Strait – Duncan Passage – Barren Island – Narcondam Island
- (b) Duncan Passage – Coco Strait – Barren Island – Narcondam Island
- (c) Coco Strait – Barren Island – Duncan Passage – Narcondam Island
- (d) Duncan Passage – Barren Island – Narcondam Island – Coco Strait

4. Which of the following best describes Euryhaline organisms?

- (a) It is an aquatic species which can survive and adapt in a wide range of salinities.
- (b) It is an aquatic species which can survive and adapt only in a narrow range of salinities.
- (c) It is an aquatic species which can survive and adapt in a wide range of temperatures.
- (d) It is an aquatic species which can survive and adapt only in a narrow range of temperatures.

5. Which among the following foreign travellers wrote accounts about the city of Vijayanagara?

1. Duarte Barbosa
2. Nicolo Conti
3. Abdur Razzaq

Select the correct answer using the code given below.

- (a) 1 and 2 only
- (b) 2 and 3 only
- (c) 1, 2 and 3
- (d) 1 and 3 only

6. With reference to the Godavari River system, consider the following rivers:

1. Penganga
2. Indravati
3. Purna

How many of the above are left-bank tributaries of the Godavari River?

- (a) Only one
- (b) Only two
- (c) All three
- (d) None

7. Consider the following statements with reference to the Mahalwari System:

1. It was introduced in the Gangetic valley and the North-West Provinces of India.
2. Under it, the revenue settlement was to be made in a village with heads of families who collectively claimed to be the landlords of the village.
3. In Mahalwari areas, the land revenue was periodically revised.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 1 and 2 only
- (c) 2 and 3 only
- (d) 1, 2 and 3

8. Cinnabar, a distinctive bright red mineral found in volcanic regions and sedimentary rocks, is the primary ore of which of the following elements?

- (a) Lead
- (b) Zinc
- (c) Mercury
- (d) Tin

9. Consider the following pairs:

Princely state

Accession

- | | |
|--------------|--|
| 1. Junagarh | : Following a police action by the Indian government |
| 2. Hyderabad | : By a plebiscite conducted among the people |
| 3. Manipur | : By signing the Instrument of accession. |

How many of the pairs given above are correctly matched?

- (a) Only one
- (b) Only two
- (c) All three
- (d) None

10. Consider the following statements regarding the India's electronics sector:

1. It contributes around 10% of the country's GDP.
2. India is the world's largest manufacturer of mobile phones.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

11. Consider the following statements about Carnatic wars:

1. The first and third Carnatic wars were part of the European struggle for supremacy while the second Carnatic war was caused by the local factors.
2. The third Carnatic war ended with the treaty of Paris and the establishment of the British as the supreme power in India.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

12. International Union for Conservation of Nature (IUCN) World Heritage Outlook 4 report categorises Western Ghats as being of “significant concern”. In this context, consider the following states of India:

1. Gujarat
2. Maharashtra
3. Andhra Pradesh
4. Karnataka
5. Tamil Nadu

How many of the above states of India are traversed by the Western Ghats?

- (a) Only two
- (b) Only three
- (c) Only four
- (d) All five

13. Which of the following are regarded as 'Ecosystem services'?

1. Soil formation
2. Nutrient cycling
3. Habitat for wildlife
4. Climate regulation

Select the correct answer using the code given below.

- (a) 1 and 2 only
- (b) 3 and 4 only
- (c) 1, 2 and 3 only
- (d) 1, 2, 3 and 4

14. Consider the following:

“He was an Indian philosopher who opposed the Shankaracharya philosophy of Advaita and propounded his Dvaita philosophy, according to which Brahman, the self and the world are completely distinct. Sarva Darshan Sangrah to explain the system of Indian philosophy.”

Which of the following Indian philosophers is described in the above statements?

- (a) Shankaradeva
- (b) Vallabhacharya
- (c) Madhvacharya
- (d) Ramanuja

15. With reference to the Padma Awards in India, consider the following statements:

1. The Padma Awards Committee, which makes recommendations for the awards, is headed by the Prime Minister of India.
2. Government servants, including those working with PSUs, are generally ineligible for these awards.
3. Padma Awards amount to titles under Article 18(1) of the Constitution of India.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) 2 and 3 only
- (d) 1, 2 and 3

16. The 'Global Cybersecurity Outlook 2026' report, recently seen in the news, was released by which of the following organizations?
- (a) World Economic Forum
 - (b) International Telecommunication Union
 - (c) Interpol
 - (d) United Nations Office on Drugs and Crime
17. Consider the following statements with respect to the election of Rajya Sabha members:
1. The election to Rajya Sabha is conducted by the Rajya Sabha secretariat.
 2. The provision of the election of Rajya Sabha members was borrowed from the Constitution of South Africa.
- Which of the statements given above is/are correct?
- (a) 1 only
 - (b) 2 only
 - (c) Both 1 and 2
 - (d) Neither 1 nor 2
18. With reference to India in the 18th century, what does 'misl' refer to?
- (a) Land grants are given under the Mansabdari system
 - (b) Sikh confederacies
 - (c) The tax imposed by Marathas on conquered territories
 - (d) None of the above
19. In the context of colonial India, Muzaffar Ahmad, Nalini Gupta, and Singaravelu Chettiar are associated with:
- (a) Justice Party
 - (b) All India Trade Union Congress
 - (c) Lahore conspiracy
 - (d) Kanpur Conspiracy Case
20. Which of the following are members of the Mekong-Ganga Cooperation?
1. Cambodia
 2. Lao PDR
 3. Vietnam
 4. Thailand
 5. Malaysia
- Select the correct answer using the code given below.
- (a) 1, 2 and 4 only
 - (b) 1, 2, 3 and 4 only
 - (c) 1, 2, 3, and 5 only
 - (d) 3, 4 and 5 only
21. With reference to the office of whip, consider the following statements:
1. He is appointed by the speaker to ensure decorum in the house.
 2. Disciplinary action can be taken against the members who do not follow directives of the whip.
- Which of the statements given above is/are correct?
- (a) 1 only
 - (b) 2 only
 - (c) Both 1 and 2
 - (d) Neither 1 nor 2
22. Consider the following statements regarding the SARFAESI Act, 2002:
1. It allows banks to auction residential and commercial assets of defaulters without judicial approval.
 2. It is not applicable to loans under ₹1 lakh.
 3. Cooperative banks are not covered under this Act.
- Which of the statements given above is/are correct?
- (a) 1 and 2 only
 - (b) 2 and 3 only
 - (c) 1 and 3 only
 - (d) 1, 2 and 3

23. Consider the following statements regarding the Indus Water Treaty (IWT):
1. It was signed in 1960 between India, Pakistan and China and mediated by the World Bank.
 2. Under the treaty, India has the right to unrestricted use of the rivers Indus, Jhelum and Chenab.
- Which of the statements given above is/are **not** correct?
- (a) 1 only
 - (b) 2 only
 - (c) Both 1 and 2
 - (d) Neither 1 nor 2
24. Which of the following best describes the term '*Spring Shock*'?
- (a) It is the release of sulphuric acid in water bodies due to the melting of snow in Spring season.
 - (b) It is the sudden change in air temperature at the onset of spring season.
 - (c) It is the immediate warming of aquatic habitats at the onset of summer seasons.
 - (d) It is the increase in water pollution due to increased evaporation from water bodies.
25. Which term describes the region where the northeast and southeast trade winds converge, leading to the vertical uplift of warm, moist air?
- (a) Subtropical High-Pressure Belt
 - (b) Monsoon Trough
 - (c) Inter-Tropical Convergence Zone (ITCZ)
 - (d) Subpolar Low-Pressure Belt

26. Consider the following statements regarding the Atal Bhujal Yojana:
1. It is a central sector scheme to improve groundwater management.
 2. It covers the water-scarce central and eastern states.
 3. Central Ground Water Board is the nodal implementing agency for the scheme.
- How many statements given above are correct?
- (a) Only one
 - (b) Only two
 - (c) All three
 - (d) None
27. With reference to the Green Credit Programme (GCP) of India, consider the following statements:
1. It provides tradable green credits to individuals or institutions for undertaking voluntary environmental activities such as afforestation and water conservation.
 2. The programme aims to complement regulatory mechanisms by creating a market-based incentive for environmental actions.
 3. Green credits earned under the programme can only be used to meet mandatory carbon offset obligations under international carbon markets.
- How many of the statements given above are correct?
- (a) Only one
 - (b) Only two
 - (c) All three
 - (d) None

28. Consider the following statements:
1. A monsoon depression is a cold-core system at the surface and in the lower levels, with a warm core in the upper levels.
 2. Due to the low vertical wind shear present during the southwest monsoon season, monsoon depressions generally do not intensify into cyclonic storms.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

29. Which of the following commissions recommended the establishment of a central Bank to be called the 'Reserve Bank of India'?

- (a) Muddiman Committee
- (b) Hilton Young Commission
- (c) Butler Commission
- (d) Hartog Commission

30. With reference to the Balance of Payments (BoP), consider the following items:

1. Portfolio investment income
2. Remittances
3. Travel expenditure
4. Royalties

How many of the above are included under invisibles in the BoP?

- (a) Only one
- (b) Only two
- (c) Only three
- (d) All four

31. Which of the following statements is **not** correct regarding (Scheme of Fund for Regeneration of Traditional Industries (SFURTI) scheme?

- (a) Khadi and Village Industries is one of the nodal Implementing agencies for the scheme.
- (b) It focuses on physical infrastructure creation and technology upgradation.
- (c) Formation of a SPV dedicated for the purposes operating the SFURTI Cluster is mandatory.
- (d) Financial Assistance upto 10 crores is provided under the scheme.

32. Consider the following statements:

Statement-I: Each state of India has its own High Court.

Statement-II: The Constitution of India states that there shall be a High Court for each state.

Which one of the following is correct in respect of the above statements?

- (a) Both Statement-I and Statement-II are correct and Statement-II is the correct explanation for Statement-I
- (b) Both Statement-I and Statement-II are correct and Statement-II is not the correct explanation for statement-I
- (c) Statement-I is correct but Statement-II is incorrect
- (d) Statement-I is incorrect but Statement-II is correct

33. Which of the following statements regarding parliamentary majorities are correct?
1. The creation of a State Legislative Council requires a special majority of two-thirds of the total membership of the assembly.
 2. The removal of the Vice-President in the Rajya Sabha requires an effective majority.
 3. An absolute majority is calculated based on more than half of the members present and voting.
- Select the correct answer using the code given below.
- (a) 1 and 2 only
 - (b) 2 only
 - (c) 1 and 3 only
 - (d) 1, 2 and 3
34. BOLD-QIT, sometimes seen in the news, is related to:
- (a) Cybersecurity of national power grids
 - (b) Indigenous satellite launch vehicles
 - (c) Deep-sea mining in the Indian Ocean
 - (d) Electronic surveillance of borders
35. With reference to National Conference of Chairpersons of State Public Service Commissions (PSCs), consider the following statements:
1. These conferences strive to bring uniformity in the functioning of both the Union and the State PSCs.
 2. UPSC Chairman is the ex-officio Chairman of the National Conference of Chairpersons of State PSCs.
- Which of the statements given above is/are correct?
- (a) 1 only
 - (b) 2 only
 - (c) Both 1 and 2
 - (d) Neither 1 nor 2

36. Consider the following pairs:

Hills

Region

- | | |
|---------------------|------------------|
| 1. Javadi Hills | : Southern India |
| 2. Rajmahal Hills | : Eastern India |
| 3. Patkai Hills | : Western India |
| 4. Dhauladhar Hills | : Northern India |

How many of the pairs given above are correctly matched?

- (a) Only one
- (b) Only two
- (c) Only three
- (d) All four

37. With reference to the Narrow Band-Internet of Things (NB-IoT), consider the following statements:

1. It is a wireless communication standard for small data volume infrequently transmitted.
2. NB-IoT significantly improves the power consumption of user devices.
3. Recently, BSNL has launched the world's first satellite-based NB-IoT network in India.

Which of the statements given above are correct?

- (a) 1 and 2 only
- (b) 2 and 3 only
- (c) 1 and 3 only
- (d) 1, 2 and 3

38. Consider the following statements with respect to Trade Receivables Discounting System (TReDS) platform:

1. TReDS is a payment system authorised under the Payment and Settlement Systems (PSS) Act.
2. The platform helps a business entity get quick cash by selling their accepted invoices to banks.
3. All the big corporates, PSUs and MSMEs can participate as sellers in TReDS.

How many of the above statements are correct?

- (a) Only one
- (b) Only two
- (c) All three
- (d) None

39. Consider the following indigenous games/martial art traditions:

1. Thang-Ta
2. Mallakhamba
3. Kalaripayattu
4. Gatka

Which of the given above are included under Khelo India Youth Games?

- (a) 1 and 2 only
- (b) 2, 3 and 4 only
- (c) 1, 3 and 4 only
- (d) 1, 2, 3 and 4

40. *Collapsed, Critically Endangered* and *Endangered* are categories, used by IUCN, to denote the risk to:

- (a) Species
- (b) Ecosystems
- (c) Food Chains
- (d) Natural abiotic factors

41. In the context of economics, 'externalities' are best defined as the:

- (a) income earned from external sources
- (b) positive or negative consequences of an economic activity.
- (c) borrowings from external commercial enterprises.
- (d) the economic activities exempted from taxation.

42. With reference to ground-level ozone formation, consider the following statements:

1. It is a secondary pollutant and therefore cannot be directly emitted from any natural or anthropogenic source.
2. Ground-level ozone is included under India's National Ambient Air Quality Standards set by the Central Pollution Control Board.
3. Sunlight is essential for the formation of ground-level ozone.

How many of the statements given above are correct?

- (a) Only one
- (b) Only two
- (c) All three
- (d) None

43. Arrange the following stages of the Environment Impact Assessment (EIA) process in India in the correct chronological order:

1. Public consultation
 2. Screening of the project
 3. Appraisal by the Expert Appraisal Committee (EAC)
 4. Preparation of EIA report and Environmental Management Plan (EMP)
 5. Grant of Environmental Clearance (EC)
- Select the correct answer using the code below.

- (a) 2 - 4 - 1 - 3 - 5
- (b) 2 - 4 - 3 - 1 - 5
- (c) 2 - 1 - 4 - 3 - 5
- (d) 4 - 2 - 1 - 3 - 5

44. When white light passes through a triangular glass prism, a band of colors forms a spectrum. This phenomenon is known as:

- (a) Reflection
- (b) Diffraction
- (c) Refraction
- (d) Dispersion

45. The Treaty of Tordesillas (1494) was agreed between:

- (a) Spanish and British
- (b) Portuguese and Dutch
- (c) Spanish and Portuguese
- (d) British and French

46. With reference to protected area categories in India, consider the following statements:

1. Community Reserves are declared on private or community land with the consent of local people.
2. Conservation Reserves are created mainly to serve as corridors or buffer zones adjoining national parks and sanctuaries.
3. Biosphere Reserves are legally notified under the Wildlife (Protection) Act, 1972.

Which of the statements given above is/are correct?

- (a) 1 and 2 only
- (b) 2 and 3 only
- (c) 1 only
- (d) 1, 2 and 3

47. With reference to the Edge Effect in ecology, consider the following statements:

1. It refers to increased species diversity and biological activity at the boundary between two different ecosystems.
2. Habitat fragmentation can increase edge effects in a landscape.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

48. With reference to the satellite system in India, consider the following statements:

1. The Indian Remote Sensing Satellite System (IRS) is used for monitoring of natural resources.
2. The Indian National Satellite System (INSAT) is used for broadcasting and telecommunication.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

49. Consider the following statements:
1. Statement-I: If the number of sea otters increased in a coastal marine ecosystem, the kelp forests tends to grow rapidly in that environment.
 2. Statement-II: In a top-down trophic cascade, changes in population of top predator alters the food web dynamics of lower trophic stages.

Which one of the following is correct in respect of the above statements?

- (a) Both Statement-I and Statement-II are correct and Statement-II is the correct explanation for Statement-I.
- (b) Both Statement-I and Statement-II are correct and Statement-II is not the correct explanation for Statement-I.
- (c) Statement-I is correct but Statement-II is incorrect.
- (d) Statement-I is incorrect but Statement-II is correct.

50. With reference to the Bird Atlas of India, consider the following statements:

1. It is a nationwide citizen-science initiative that documents the distribution and abundance of bird species across India.
2. It helps in identifying biodiversity hotspots and priority areas for conservation planning.
3. The atlas focuses only on migratory birds and excludes resident bird species.

Which of the statements given above is/are correct?

- (a) 1 and 2 only
- (b) 2 and 3 only
- (c) 1 only
- (d) 1, 2 and 3

51. With reference to seismic waves, consider the following statements:

1. P-waves can travel through solids, liquids, and gases.
2. S-waves cannot pass through the Earth's outer core.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

52. With reference to textile pollution, consider the following statements:

1. Synthetic textiles such as polyester and nylon contribute to microplastic pollution during washing.
2. Textile dyeing and processing units are major sources of chemical effluents containing heavy metals and toxic dyes.
3. Natural fibres such as cotton and jute do not cause any environmental pollution at any stage of their life cycle.

Which of the statements given above is/are correct?

- (a) 1 and 2 only
- (b) 2 and 3 only
- (c) 1 only
- (d) 1, 2 and 3

53. The 'Independent International Scientific Panel on Artificial Intelligence' and 'Global Dialogue on AI Governance' were announced by

- (a) UN General Assembly
- (b) European Union
- (c) G20
- (d) ASEAN

54. Which of the following statements is **not** correct with reference to Kakatiyas?
- They were initially feudatories of the Vijayanagara empire.
 - The military organization of the Kakatiyas was based on Nayamkara system.
 - Motupalli was the chief port of the Kakatiyas.
 - They were known for their irrigation public works such as chain of tanks.
55. Which of the following acts led to the establishment of the first Law Commission in India?
- The Charter Act of 1833
 - The Charter Act of 1853
 - The Pitt's India Act of 1784
 - The Charter Act of 1793
56. Arrange the following oceanic relief features from shallowest to deepest:
- Continental shelf
 - Continental slope
 - Abyssal plain
 - Oceanic trench
- Select the correct answer using the code given below:
- 1–2–3–4
 - 2–1–3–4
 - 1–3–2–4
 - 3–1–2–4
57. The Harmonised System Code for varying classifications and commodities was developed by
- World Trade Organization
 - World Customs Organization
 - UNCTAD
 - World Economic Forum

58. In India, FDI is prohibited in which of the following sectors?
- Real Estate Investment Trusts (REITs)
 - Chit Funds
 - Nidhi companies
 - Constructions of farmhouses
- Select the correct answer using the code given below
- 1 and 2 only
 - 2, 3 and 4 only
 - 1, 3 and 4 only
 - 1, 2, 3 and 4
59. Consider the following pairs:
- | Text | Author |
|---------------------|-----------------|
| 1. Abhinaya darpana | : Bharata Muni |
| 2. Abhinavabharati | : Abhinavagupta |
| 3. Gitagovinda | : Kalidasa |
- Which of the pairs given above is/are correctly matched?
- 1 and 2 only
 - 2 only
 - 1 and 3 only
 - 1, 2 and 3
60. Which of the following are part of non-marketable debt of the Union Government?
- Treasury Bills
 - Securities issued against National Small Savings Fund
 - Sovereign Gold Bonds
- Select the correct answer using code given below.
- 1 and 2 only
 - 2 and 3 only
 - 1 and 3 only
 - 1, 2 and 3

- 61.** National Bank for Agriculture and Rural Development (NABARD):
1. provides direct lending to Cooperatives and Producers' Organization
 2. provides loans to State Governments for developing rural infrastructure
 3. supervises State Cooperative Banks
 4. provides refinance to NBFC for agricultural lending
- How many of the above statements are correct?
- (a) Only one
(b) Only two
(c) Only three
(d) All four
- 62.** With reference to Gel Electrophoresis, consider the following statements:
1. It is a technique used to separate DNA fragments according to their size.
 2. In Gel electrophoresis molecules to be separated are pushed by an electrical field.
- Which of the statements given above is/are correct?
- (a) 1 only
(b) 2 only
(c) Both 1 and 2
(d) Neither 1 nor 2
- 63.** With reference to the National Commission for Protection of Child Rights (NCPCR), consider the following statements :
1. It was set up under Juvenile Justice Act, 2000.
 2. It ensures that all laws and policies are in consonance with the Child Rights.
 3. It can take up cases on violation of child rights suo moto.
- Which of the statements given above is/are correct?
- (a) 1 only
(b) 2 and 3 only
(c) 2 only
(d) 1, 2 and 3

- 64.** Which of the following best describes MicroDots technology, sometimes seen in the news?
- (a) It is a technique in which laser dots are etched on a vehicle to prevent theft.
(b) It is a 3-D printing technology aimed at producing clean technologies.
(c) It is an alternative treatment for multi-drug resistant TB.
(d) It is a technology that allows marking of disease causing genes.
- 65.** Which of the following countries share the boundaries with the Gulf of Mexico?
1. USA
 2. Cuba
 3. Venezuela
- Select the correct answer using the code given below.
- (a) Only one
(b) Only two
(c) All three
(d) None
- 66.** Which of the following species is/are endemic to India?
1. Nilgiri tahr
 2. Lion-tailed macaque
 3. Andaman wild pig
 4. Snow leopard
- Select the correct answer using the code below.
- (a) 1 and 2 only
(b) 1, 2 and 3 only
(c) 2, 3 and 4 only
(d) 1, 2, 3 and 4

67. Which of the following statements is/are correct about Jainism?
1. It prohibited the practice of agriculture for its followers.
 2. It recognised the existence of the gods but placed them lower than the jina.
 3. It did not condemn the varna system, the way Buddhism did.
- Select the correct answer using the code given below.
- (a) 1 and 3 only
(b) 2 only
(c) 2 and 3 only
(d) 1, 2 and 3
68. Which of the following statements regarding phloem transport in plants is correct?
- (a) It follows the pressure flow/mass flow hypothesis.
(b) It is a purely passive process requiring no metabolic energy.
(c) It occurs strictly in a downward direction from leaves to roots.
(d) It is limited only to the laminar tissues of the leaves.
69. Consider the following statements comparing a Censure Motion and a No-Confidence Motion:
1. Unlike a No-Confidence Motion, a Censure Motion can be moved against an individual Minister.
 2. A Censure Motion must state the reasons for its adoption, while a No-Confidence Motion does not need to specify any grounds.
- Which of the statements given above is/are correct?
- (a) 1 only
(b) 2 only
(c) Both 1 and 2
(d) Neither 1 nor 2

70. With reference to the Metropolitan Planning Committee under Part IX-A of the Constitution, consider the following statements:
1. It prepares a draft development plan for the Metropolitan area as a whole.
 2. Two-thirds of the members of a metropolitan planning committee should be elected by the elected members of the municipalities and chairpersons of the panchayats in the metropolitan area from amongst themselves.
- Which of the statements given above is/are correct?
- (a) 1 only
(b) 2 only
(c) Both 1 and 2
(d) Neither 1 nor 2
71. With reference to India's edible oil ecosystem, consider the following statements:
1. Oilseeds hold the highest acreage in Indian agriculture.
 2. Despite being one of the largest producers, India imports more than 50% of the edible oil it consumes.
 3. India ranks first in the production of castor and safflower.
- How many of the above statements are correct?
- (a) Only one
(b) Only two
(c) All three
(d) None

72. The 9th Round of India–Peru Trade Agreement negotiations was successfully concluded in Peru. In this context, which of the country/countries borders Peru?

1. Brazil
2. Ecuador
3. Argentina

Select the correct answer using the code given below.

- (a) 1 only
- (b) 1 and 2 only
- (c) 2 and 3 only
- (d) 1, 2 and 3

73. Which of the following is correct with regard to Bose-Einstein condensate?

- (a) It is the fifth state of matter.
- (b) It is a range of subatomic particles responsible for giving matter different properties.
- (c) It is a group of elementary particles forming basic building block of the matter.
- (d) An electrically conducting medium produced when the atoms in a gas become ionized.

74. Consider the following statements:

1. A solar eclipse occurs only on the day of the full moon.
2. A lunar eclipse occurs only on the new moon day.
3. A specific place on Earth experiences a total solar eclipse approximately every 12 years.

How many of the above statements are correct?

- (a) Only one
- (b) Only two
- (c) All three
- (d) None

75. The term 'Nanomicelles' recently seen in the news is related to:

- (a) Microscopic organisms recently carried by Israel Space Agency to moon
- (b) Nano structures used in the treatment of disease
- (c) Microscopic organisms discovered in Mariana trench by China
- (d) Microscopic structures used in the manufacture of Graphite sheets

1. The Regulating Act of 1773 vested the administration of British territories in India in the hands of a Governor-General assisted by a Council of four members.
2. The decision of the council was taken by majority and the Governor-General had veto power over the decision of the Council.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

77. With respect to the circulation of ocean water, consider the following statements:

1. Ekman transport is responsible for the formation of gyres in subtropical oceans.
2. During a La Niña event, upwelling along the South American coast is intensified, leading to a fishing boom.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

- 78.** Which of the following is/are the uses of Algae?
1. Carbon dioxide fixation
 2. Purification of wastewater
 3. Food supplements
 4. Biofuel production
- Select the correct answer using the code given below.
- (a) 1 and 2 only
(b) 2 and 3 only
(c) 3 and 4 only
(d) 1, 2, 3 and 4
- 79.** With respect to the cultural history of India, which of the following temples is associated with the Hoysalas?
1. Chennakesava Temple
 2. Shore Temple
 3. Airavatesvara Temple
 4. Mallikarjuna Temple
- Select the correct answer using the code given below.
- (a) 1 and 4 only
(b) 1, 2 and 3 only
(c) 2 and 4 only
(d) 1, 2, 3 and 4
- 80.** What is the significance of ISRO's LVM3-M5 Launch for India?
1. It will be the largest rocket to send a communication satellite into space.
 2. It will mark the first instance of ISRO deploying a satellite weighing over 4,000 kg from Indian soil into the geosynchronous transfer orbit (GTO).
- Select the correct answer using the code given below.
- (a) 1 only
(b) 2 only
(c) Both 1 and 2
(d) Neither 1 nor 2

- 81.** Consider the following statements with respect to RBI being a banker to Government:
1. As per RBI Act, 1934, RBI has the right to transact Government business of the Union in India.
 2. At present, all public sector banks acts agents of RBI to conduct government banking business.
 3. Reserve Bank of India maintains the Principal Accounts of Central as well as State Governments.
- How many of the above statements are correct?
- (a) Only one
(b) Only two
(c) All three
(d) None
- 82.** With reference to 'Extended Producer Responsibility', consider the following statements:
1. It is a policy approach in which producers take responsibility for management of the disposal of products after they are considered no longer useful by the consumers.
 2. It shifts the economic burden of the cost of disposal from the government to the producer of the product.
- Which of the statements given above is/are correct?
- (a) 1 only
(b) 2 only
(c) Both 1 and 2
(d) Neither 1 nor 2

- 83.** Consider the following statements:
1. A bank with a higher CASA (Current Account Savings Account) ratio enjoys cheaper sources of funds than a bank with a lower CASA ratio.
 2. A bank with a higher provisioning coverage ratio (PCR) is less vulnerable to credit risk shocks.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

- 84.** Which one of the following is common to both plant and animal cells?

- (a) Cell wall
- (b) Chloroplast
- (c) Mitochondria
- (d) Plasmid

- 85.** Consider the following statements regarding the composite volcanoes:

1. These volcanoes are mostly made up of basalt.
2. They are characterized by their distinctive conical shape and explosive eruptions.
3. These volcanoes outpour highly fluid lava that flows for long distances.

How many statements given above are correct?

- (a) Only one
- (b) Only two
- (c) All three
- (d) None

- 86.** Consider the following statements regarding the World Health Organization (WHO):

1. It is the United Nation's specialized health agency and is mandated to coordinate the world's response to global health threats.
2. The International Health Conference held in New York in 1946 adopted the Constitution of WHO, which entered into force in 1948.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

- 87.** In the context of Residuary powers, consider the following statements:

1. Power to legislate on the residuary subjects is vested with the Parliament.
2. Provision of residuary power in the Indian constitution has been borrowed from the Constitution of Canada.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

- 88.** "It is a traditional folk dance-drama performance that combines music, song, dance, scholarly dialogue, and colorful costumes. It is popular in the coastal districts of Karnataka". It has two main variations called Moodalapaya and Paduvalapaya.

Which of the following theaters of South India has been described by the passage given above?

- (a) Jatra
- (b) Yakshagana
- (c) Mudi yettu
- (d) Tamasha

89. Consider the following pairs:

Maratha Power	Region
----------------------	---------------

- | | |
|------------|-----------|
| 1. Peshwa | : Nagpur |
| 2. Scindia | : Gwalior |
| 3. Gaekwad | : Indore |
| 4. Holkar | : Baroda |
| 5. Bhonsle | : Pune |

How many of the pairs given above are correctly matched?

- (a) Only one
- (b) Only three
- (c) Only five
- (d) None

90. Who among the following rulers and his subjects is mentioned in the Rabatak inscription?

- (a) Ashoka
- (b) Samundragupta
- (c) Rudradaman I
- (d) Kanishka

91. With reference to the Women's Kabaddi World Cup 2025, consider the following statements:

- 1. India won the Women's Kabaddi World Cup title in 2025.
- 2. This was the first time that the Women's Kabaddi World Cup was hosted in India.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

- 1. It provides for the establishment of River Boards.
- 2. The Chairman and members of the Water Dispute Tribunals are nominated by the Chief Justice of India.
- 3. In case of a dispute, a State can directly approach the Tribunal.

Which of the statements given above is/are correct?

- (a) 1 and 3 only
- (b) 2 only
- (c) 1 only
- (d) 2 and 3 only

93. Consider the following pairs:

Unmanned Aerial Vehicle (UAV)	Country of Origin
--------------------------------------	--------------------------

- | | |
|----------------------|-----------------|
| 1. MQ-9B SkyGuardian | : Israel |
| 2. Hermes-900 | : United States |
| 3. Bayraktar TB2 | : Turkey |
| 4. Tapas-BH-201 | : India |

How many of the above pairs are correctly matched?

- (a) Only one
- (b) Only two
- (c) Only three
- (d) All four

94. The terms 'Global macro', 'Event driven', 'Market neutral' are often seen in the news in the context of

- (a) Hedge fund investment strategies
- (b) Disruptive technologies
- (c) Banking risk management techniques
- (d) Crude oil benchmarks

95. Which of the following statements is **not** correct regarding the BRICS nations?
- (a) The term BRICS was coined by the British Economist Jim O'Neill.
 - (b) Its secretariat is located in New Delhi.
 - (c) Indonesia is the first Southeast Asian member of the BRICS.
 - (d) New Development Bank of BRICS funds infrastructure in emerging economies.

96. Consider the following climatic types:

1. Subtropical steppe
2. Mid-latitude steppe
3. Subtropical desert
4. Mediterranean

Which of the above fall under the category of "Dry Climates" under Köppen's scheme of classification of climate?

- (a) 1 and 3 only
- (b) 1, 2 and 4 only
- (c) 1, 2 and 3 only
- (d) 2 and 4 only

97. In India, if otherwise eligible who among the following remains in office up to 65 years of age?

1. Chief Justice of India
2. Judge of a High Court
3. Comptroller and Auditor General of India
4. Chairman of Union Public Service Commission

Select the correct answer using the code given below.

- (a) 1 and 4 only
- (b) 1, 3 and 4 only
- (c) 2, 3 and 4 only
- (d) 1, 2 and 3 only

98. One of the most fascinating figures from the Indus Valley Civilization is the sculpture titled 'Mother Goddess'. It is made of

- (a) bronze
- (b) terracotta
- (c) sandstone
- (d) ivory

99. 30th Conference of Parties (COP30) to the United Nations Framework Convention on Climate Change (UNFCCC) is a critical global event hosted in which country?

- (a) South Africa
- (b) Argentina
- (c) Brazil
- (d) United States of America

100. Consider the following pairs:

Bodhisattvas	Feature
1. Avalokitesvara	: compassionate bodhisattva
2. Maitreya	: linked to meditation and practice
3. Samantabhadra	: future buddha

Which of the pairs given above is/are correctly matched?

- (a) 2 and 3 only
- (b) 1 only
- (c) 1 and 2 only
- (d) 1, 2 and 3
